Welcome to this exceptional property opportunity in a flourishing new urbanization comprising 26 exclusive plots designed exclusively for luxurious villa construction. Nestled in a serene environment, these plots offer a range of sizes from 500 m2 to 737 m2, providing ample room for your dream home. Each plot is primed for the construction of magnificent villas with individual swimming pools. The versatility of these plots is striking, with footprints ranging from 150m2 to 265m2, ensuring that your vision can be tailored to perfection. The maximum allowable construction area extends from 301m2 to an impressive 530 m2, providing limitless possibilities to create a residence that truly reflects your unique style and requirements. One of the most enticing features of this location is its unbeatable convenience. Situated within easy walking distance of a plethora of amenities, including shops, restaurants, and recreational facilities, this urbanization offers the perfect blend of tranquillity and accessibility. Moreover, the alluring beach is just a leisurely stroll away, allowing you to embrace the coastal lifestyle to the fullest. Imagine designing your own paradise within this picturesque setting. Whether you envision a contemporary architectural masterpiece, or a charming Mediterranean-style villa, the canvas is yours to paint. With a location that effortlessly balances seclusion and convenience, this property is an investment in both your quality of life and your financial future. The demand for premium coastal properties continues to grow, making this an excellent opportunity for both personal enjoyment and potential returns on investment. In summary, this property is a rare gem in a new urbanization
